

**JOHN “JACK” R. TUPMAN, JR
CURRICULUM VITAE**

June 2017

John R. Tupman, Jr. is a consultant focused on business development and licensing in the life sciences industry. He is currently working as a consultant for 284 Partners LLC (“284 Partners”), a professional services firm dedicated to advising clients and counsel on financial aspects of intellectual property, including valuation, litigation consulting, IP strategy, and IP transactions.

From 2009 through 2014, Mr. Tupman served as the Vice President for Corporate Business Development at Eli Lilly and Company (“Lilly”). As an executive in Lilly business development for 17 years, he managed Lilly transactions in areas such as discovery collaborations, pre-clinical and clinical-stage in-licensing, joint development, co-promotion, and out-licensing. During his tenure at Lilly, Mr. Tupman’s team executed some of Lilly’s largest and most significant business development partnerships, with those transactions resulting in seven Lilly product launches. Prior to becoming a member of the corporate business development group, he served as Director of Marketing and held various executive positions in new product planning, market research, and sales over his 32-year career with Eli Lilly.

Mr. Tupman is a Past-Member of the Board of Trustees of the Licensing Executives Society United States and Canada (“LES”), one of the country’s largest intellectual property licensing trade organizations. He was a member of the LES Life Science Sector committee from 2005 through 2012, and was the nomination and selection chair for the Sector’s “Deal of Distinction” award from 2007 through 2012. Mr. Tupman has also been a frequent speaker on the topics of pharmaceutical licensing and business development at LES and other industry organizations.

Mr. Tupman holds a Bachelor of Science in Business, with Honors and High Distinction, and a Master of Business Administration degree with concentrations in Finance and Product Management, both from Indiana University. He has also completed executive education programs at the University of Chicago’s Booth School of Business and the Duke Fuqua School of Business. In addition to his academic credentials, Mr. Tupman is also a Certified Licensing Professional (“CLP”).
